

Come work at the heart of change

Hi Ravi Teja,

Hope you are all set to take our Cognitive and Technical assessment followed by the Coding assessment.

Your assessments have been scheduled on Tuesday, October, 05, 2021, starting at 1:00:00 PM. Please make sure to login in the test within 30 minutes of your test start time.

If you are unable to login within 30 min of your assessment start time, post this cut off you will not be permitted to participate in our assessments.

System requirements to attend the test:

- Laptop/ desktop must be enabled with webcam and microphone. Webcam should capture image clearly. Both webcam and microphone must be in switch-on mode across all assessments and interview stages of our process.
- RAM & Processor: 4 GB+ RAM, i3 5th Generation 2.2 Ghz or equivalent/ higher.
- Operating system: Windows 8 or 10 only.
- Google Chrome browser (upto 5 latest versions considered).
- Safe Exam Browser (SEB) must be installed mandatorily. If you have not installed the Secure Exam Browser yet, please install now: <https://securetest.hirepro.in/accenture/>.
- Stable Internet connection of 2Mbps+ enabled through broadband connection, do avoid unstable 3G/4G networks.
- VPN/Proxy should be disabled.

The assessments will be split into two stages:

Stage 1: The Cognitive and Technical assessment is a mandatory assessment and will be an elimination round. You must meet our sectional and sub-sectional cut off to proceed ahead in our recruitments process. You will have 90 mins to complete 90 questions.

Note:

- Once done, you will be notified about the results within 5 to 10 minutes.
- Assessment browser must be active until end of all assessments.

Stage 2: Upon clearing stage 1, you must participate in the Coding assessment and these scores will be considered for our final decisions. You will have 45 mins to complete 2 coding questions.

Hi Ravi Teja,

Congratulations! You have successfully cleared the Infosys online test to qualify for the interview round of Infosys Campus Recruitment Program – Batch 2022.

The interview will be conducted virtually. This round will assess your technical and behavioral skills.

Below are the details for your virtual interview with us:

Day and Date: Wednesday, September 29, 2021

Time: 10:00 AM

Duration: 20 minutes

Interview meeting link: <https://infosys.webex.com/meet/kamalakara.girada>

Here are the **mandatory instructions and guidelines** you must adhere to for participating in the virtual interview:

1. Use the latest version of Google Chrome (version 84 or above) web browser to open the interview link.
2. Ensure a stable Internet connection with a minimum speed of 10 Mbps for the duration of the interview.
3. The device being used to take the interview needs to have a working webcam.
4. Present your original college ID and government photo ID proof ready during the interview for verification process.
5. Be seated upright with your face clearly visible so that it can be constantly captured by the webcam.
6. The surroundings should be as quiet as possible with no background noise.
7. You must dress in smart casuals as you would for a formal interview process.
